

Dear Valued Provider:

We would like to update you on the status of Health Choice's ICD-10 transition.

Health Choice expects to be fully ICD-10 compliant with no claims-processing delays as of the transition date of October 1, 2015.

Health Choice is currently in the process of testing ICD-10 claims from providers. Health Choice expects to continue testing with ICD-10 claims from providers until July 31, 2015.

If you would like to test ICD-10 claims with Health Choice, please contact:

Walter Janzen, ICD-10 Project Manager

Email: [WJanzen@lasisHealthcare.com](mailto:WJanzen@lasisHealthcare.com)

Phone: 480-760-4919

For general ICD-10 questions, please email: [ICD-10@lasisHealthcare.com](mailto:ICD-10@lasisHealthcare.com)

Provider resources for ICD-10 transition can be found here (external link):
