

Updated: PBM Notification

December 5, 2014

Dear Provider(s):

In our ongoing efforts to ensure the provision of quality care and services for our members, Health Choice Arizona conducted an extensive review and evaluation of our Pharmacy Benefits Manager.

After careful consideration, Health Choice Arizona has elected to change PBM services, *effective January 1, 2015*, from CatamaranRx to EnvisionRx Options. In addition to offering a robust network, our new partnership with Envision will enhance member access to provider and covered benefits.

Health Choice Arizona members will receive a personalized letter communicating this change which will include information on how to locate a network pharmacy, and a toll-free number to call for any questions. We will also include this information in upcoming member newsletters and on the member and provider modules of our website at www.healthchoiceaz.com.
